

§ 603.3

(j) *UC information and State UC information* means information in the records of a State or State UC agency that pertains to the administration of the State UC law. This term includes those State wage reports collected under the IEVS (Section 1137 of the Social Security Act (SSA)) that are obtained by the State UC agency for determining UC monetary eligibility or are downloaded to the State UC agency's files as a result of a crossmatch but does not otherwise include those wage reports. It does not include information in a State's Directory of New Hires, but does include any such information that has been disclosed to the State UC agency for use in the UC program. It also does not include the personnel or fiscal information of a State UC agency.

(k) *Wage information* means information in the records of a State UC agency (and, for purposes of § 603.23 (IEVS)), information reported under provisions of State law which fulfill the requirements of Section 1137, SSA) about the—

- (1) Wages paid to an individual,
- (2) Social security account number (or numbers, if more than one) of such individual, and
- (3) Name, address, State, and the Federal employer identification number of the employer who paid such wages to such individual.

Subpart B—Confidentiality and Disclosure Requirements

§ 603.3 What is the purpose and scope of this subpart?

This subpart implements the basic confidentiality requirement derived from Section 303(a)(1), SSA, and the disclosure requirements of Sections 303(a)(7), (c)(1), (d), (e), (h), and (i), SSA, and Section 3304(a)(16), Federal Unemployment Tax Act (FUTA). This subpart also establishes uniform minimum requirements for the payment of costs, safeguards, and data-sharing agreements when UC information is disclosed, and for conformity and substantial compliance with this proposed rule. This subpart applies to States and State UC agencies, as defined in § 603.2(f) and (g), respectively.

20 CFR Ch. V (4–1–12 Edition)

§ 603.4 What is the confidentiality requirement of Federal UC law?

(a) *Statute.* Section 303(a)(1) of the SSA (42 U.S.C. 503(a)(1)) provides that, for the purposes of certification of payment of granted funds to a State under Section 302(a) (42 U.S.C. 502(a)), State law must include provision for such methods of administration as are found by the Secretary of Labor to be reasonably calculated to insure full payment of unemployment compensation when due.

(b) *Interpretation.* The Department of Labor interprets Section 303(a)(1), SSA, to mean that “methods of administration” that are reasonably calculated to insure the full payment of UC when due must include provision for maintaining the confidentiality of any UC information which reveals the name or any identifying particular about any individual or any past or present employer or employing unit, or which could foreseeably be combined with other publicly available information to reveal any such particulars, and must include provision for barring the disclosure of any such information, except as provided in this part.

(c) *Application.* Each State law must contain provisions that are interpreted and applied consistently with the interpretation in paragraph (b) of this section and with this subpart, and must provide penalties for any disclosure of confidential UC information that is inconsistent with any provision of this subpart.

§ 603.5 What are the exceptions to the confidentiality requirement?

The following are exceptions to the confidentiality requirement. Disclosure of confidential UC information is permissible under the exceptions in paragraphs (a) through (g) of this section only if authorized by State law and if such disclosure does not interfere with the efficient administration of the State UC law. Disclosure of confidential UC information is permissible under the exceptions in paragraphs (h) and (i) of this section without such restrictions.

(a) *Public domain information.* The confidentiality requirement of § 603.4 does not apply to public domain information, as defined at § 603.2(c).

(b) *UC appeals records.* Disclosure of appeals records and decisions, and precedential determinations on coverage of employers, employment, and wages, is permissible provided all social security account numbers have been removed and such disclosure is otherwise consistent with Federal and State law.

(c) *Individual or employer.* Disclosure for non-UC purposes, of confidential UC information about an individual to that individual, or of confidential UC information about an employer to that employer, is permissible.

(d) *Informed consent.* Disclosure of confidential UC information on the basis of informed consent is permissible in the following circumstances—

(1) *Agent*—to one who acts for or in the place of an individual or an employer by the authority of that individual or employer if—

(i) In general—

(A) The agent presents a written release (which may include an electronically submitted release that the State determines is authentic) from the individual or employer being represented;

(B) When a written release is impossible or impracticable to obtain, the agent presents such other form of consent as is permitted by the State UC agency in accordance with State law;

(ii) In the case of an elected official performing constituent services, the official presents reasonable evidence (such as a letter from the individual or employer requesting assistance or a written record of a telephone request from the individual or employer) that the individual or employer has authorized such disclosure; or

(iii) In the case of an attorney retained for purposes related to the State’s UC law, the attorney asserts that he or she is representing the individual or employer.

(2) *Third party (other than an agent) or disclosure made on an ongoing basis*—to a third party that is not acting as an agent or that receives confidential information following an informed consent disclosure on an ongoing basis (even if such entity is an agent), but only if that entity obtains a written release from the individual or employer to whom the information pertains.

(i) The release must be signed and must include a statement—

(A) Specifically identifying the information that is to be disclosed;

(B) That State government files will be accessed to obtain that information;

(C) Of the specific purpose or purposes for which the information is sought and a statement that information obtained under the release will only be used for that purpose or purposes; and

(D) Indicating all the parties who may receive the information disclosed.

(ii) The purpose specified in the release must be limited to—

(A) Providing a service or benefit to the individual signing the release that such individual expects to receive as a result of signing the release; or

(B) Carrying out administration or evaluation of a public program to which the release pertains.

NOTE TO PARAGRAPH (d): The Electronic Signatures in Global and National Commerce Act of 2000 (E-Sign), Pub. L. 106-229, may apply where a party wishes to effectuate electronically an informed consent release (§603.5(d)(2)) or a disclosure agreement (§603.10(a)) with an entity that uses informed consent releases. E-Sign, among other things, sets forth the circumstances under which electronic signatures, contracts, and other records relating to such transactions (in lieu of paper documents) are legally binding. Thus, an electronic communication may suffice under E-Sign to establish a legally binding contract. The States will need to consider E-Sign’s application to these informed consent releases and disclosure agreements. In particular, a State must, to conform and substantially comply with this regulation, assure that these informed consent releases and disclosure agreements are legally enforceable. If an informed consent release or disclosure agreement is to be effectuated electronically, the State must determine whether E-Sign applies to that transaction, and, if so, make certain that the transaction satisfies the conditions imposed by E-Sign. The State must also make certain that the electronic transaction complies with every other condition necessary to make it legally enforceable.

(e) *Public official.* Disclosure of confidential UC information to a public official for use in the performance of his or her official duties is permissible. “Performance of official duties” means administration or enforcement of law or the execution of the official responsibilities of a Federal, State, or local elected official. Administration of law

§ 603.6

20 CFR Ch. V (4–1–12 Edition)

includes research related to the law administered by the public official. Execution of official responsibilities does not include solicitation of contributions or expenditures to or on behalf of a candidate for public or political office or a political party.

(f) *Agent or contractor of public official.* Disclosure of confidential UC information to an agent or contractor of a public official to whom disclosure is permissible under paragraph (e) of this section.

(g) *Bureau of Labor Statistics.* The confidentiality requirement does not apply to information collected exclusively for statistical purposes under a cooperative agreement with the Bureau of Labor Statistics (BLS). Further, this part does not restrict or impose any condition on the transfer of any other information to the BLS under an agreement, or the BLS's disclosure or use of such information.

(h) *Court order; official with subpoena authority.* Disclosure of confidential UC information in response to a court order or to an official with subpoena authority is permissible as specified in § 603.7(b).

(i) *UC Program Oversight and Audits.* The confidentiality requirement does not apply to any disclosure to a Federal official for purposes of UC program oversight and audits, including disclosures under 20 CFR part 601 and 29 CFR parts 96 and 97.

§ 603.6 What disclosures are required by this subpart?

(a) The confidentiality requirement of 303(a)(1), SSA, and § 603.4 are not applicable to this paragraph (a) and the Department of Labor interprets Section 303(a)(1), SSA, as requiring disclosure of all information necessary for the proper administration of the UC program. This includes disclosures to claimants, employers, the Internal Revenue Service (for purposes of UC tax administration), and the U.S. Citizenship and Immigration Services (for purposes of verifying a claimant's immigration status).

(b) In addition to Section 303(f), SSA (concerning an IEVS), which is addressed in subpart C, the following provisions of Federal UC law also specifically require disclosure of State UC in-

formation and State-held information pertaining to the Federal UC and benefit programs of Unemployment Compensation for Federal Employees (UCFE), Unemployment Compensation for Ex-Servicemembers (UCX), Trade Adjustment Assistance (TAA) (except for confidential business information collected by States), Disaster Unemployment Assistance (DUA), and any Federal UC benefit extension program:

(1) Section 303(a)(7), SSA, requires State law to provide for making available, upon request, to any agency of the United States charged with the administration of public works or assistance through public employment, disclosure of the following information with respect to each recipient of UC—

- (i) Name;
- (ii) Address;
- (iii) Ordinary occupation;
- (iv) Employment status; and
- (v) A statement of such recipient's rights to further compensation under the State law.

(2) Section 303(c)(1), SSA, requires each State to make its UC records available to the Railroad Retirement Board, and to furnish such copies of its UC records to the Railroad Retirement Board as the Board deems necessary for its purposes.

(3) Section 303(d)(1), SSA, requires each State UC agency, for purposes of determining an individual's eligibility benefits, or the amount of benefits, under a food stamp program established under the Food Stamp Act of 1977, to disclose, upon request, to officers and employees of the Department of Agriculture, and to officers or employees of any State food stamp agency, any of the following information contained in the records of the State UC agency—

- (i) Wage information,
- (ii) Whether an individual is receiving, has received, or has made application for, UC, and the amount of any such compensation being received, or to be received, by such individual,
- (iii) The current (or most recent) home address of such individual, and
- (iv) Whether an individual has refused an offer of employment and, if so, a description of the employment so offered and the terms, conditions, and rate of pay therefore.
